## PART EIGHT: HOW MODERN BIBLES REDUCE THE LORD JESUS CHRIST \& ELEVATE THE ANTICHRIST

The building blocks for the antichrist's end times One-World Government \& One-World Religious system (Revelation $17-18$ ) is found where this two-headed monster first appeared: the Tower of Babel (Gen. 11). God broke up this union by confounding the $\qquad$ and scattering everyone. It therefore becomes apparent that if Satan wants to build his bridge back to Babylon, $\qquad$ are going to be his primary tool. As we conclude our series, we are going to look at Satan's plan to unite Eastern \& Western civilization, by having everyone meet in the middle.

1. The building blocks of the counterfeit religion of the antichrist (Gen. 11:3a)
a. Eastern mystical religions have begun adopting uniquely "Christian" terminology to explain their occultic ideas \& terminologies
i. Buddha = "The Lord"
iii. $\qquad$ = "The One"
ii. Krishna = "The Christ"
iv. Occult initiation = "Baptism"
b. Western intellectuals and religious figures begin to substitute "The Lord", "The Christ", \& "The One" in place of the Lord Jesus Christ in an attempt to depersonalize and unify all
i. Holy One of Israel = "The One"
iii. Lord Jesus Christ = "Lord"
ii. Holy Ghost = "Spirit"
iv. Godhead = "Diving being/Divine nature"

## **The occult (Gnosticism, Magic, Wiccan, etc) believe the real name of "god" is unknown. Remember: God is a

 God who wants to be known in a $\qquad$ way - Ex. 6:3; Isa. 52:6; 45:19-23; Ps. 83:18; Isa. 12:2; Ps. 91:142. The cement plaster of counterfeit bibles (Gen. 11:3b)
a. In the 1870's, two New Age spiritualists would become pioneers for blending together "the east and west" philosophies with $\qquad$ manuscripts
i. Madame H.P. Blavatsky - editor of "Lucifer Magazine" and one of the foremost authorities on the ancient mystical religions
ii. Brooke Foss Westcott - One-half of the nefarious duo "Westcott \& Hort" who developed their own Greek NT from Vaticanus \& Sinaticus from which all modern Bibles originate
b. With Origen's corrupted Bible manuscripts in hand, Blavatsky \& Westcott/Hort would begin reassembly of Babel's Tower
i. Step 1: Remove " $\qquad$ " from all Bibles - Isa. 14:12; Rev. 22:15; 2 Pet. 1:19 (compare with NIV \& ESV)
ii. Step 2: Separate Lucifer from the "force" that is the devil by denying the person of Satan Gen. 3:1; 2 Cor. 4:3-4

## The flonarch of 预ooks <br> Why the King James Bible is our Final Authority

iii. Step 3: Make Lucifer the hero of the story and " $\qquad$ " - Isa. 14:14; Lk. 4:7; Rev. 13:4
3. The Tower of Babel Resurrected (Gen. 11:4; Rev. 17-18)
a. The corruptions found in the manuscripts of Alexandria have made their way into $\qquad$ modern bibles to prepare the way for "The Coming One" who has replaced the Lord Jesus Christ
i. Removing the masculine "he" \& "him" and replace with the neutered "One"

1. Matthew $13: 37$
2. John 15:21
3. John 6:46
4. Revelation $1: 18$
ii. Substituting "One" in place of "Son", "God", or "Christ"
5. Mark 12:32
6. John. 4:42
7. Luke 9:35
8. John 6:69
iii. Now any of the following verses can be justified for the bloody worship of the dragon during the Tribulation Period (2 Thess. 2:4):
9. Colossians 3:10 (LSB)
10. Revelation $2: 12$ (LSB)
11. Hebrews 5:7 (LSB)
12. Luke $12: 5$ (LSB)
b. The world has been readied to receive "the Mighty One" in the form of the $\qquad$
i. "The Coming One" is a phrase known by those mystics who have close ties with
$\qquad$ affairs

## 1. Matthew $11: 3$

2. John 1:27
ii. "The Mighty One" has also found himself replacing "The LORD God"
