## Why the King James Bible is our Final Authority

### **PART EIGHT: HOW MODERN BIBLES REDUCE THE LORD JESUS CHRIST & ELEVATE THE ANTICHRIST**

The building blocks for the antichrist's end times One-World Government & One-World Religious system (*Revelation 17-18*) is found where this two-headed monster first appeared: the Tower of Babel (*Gen. 11*). God broke up this union by confounding the languages and scattering everyone. It therefore becomes apparent that if Satan wants to build his bridge back to Babylon, words are going to be his primary tool. As we conclude our series, we are going to look at Satan's plan to unite Eastern & Western civilization, by having everyone meet in the middle.

1. The building blocks of the counterfeit religion of the antichrist (*Gen. 11:3a*)
  - a. Eastern mystical religions have begun adopting uniquely "Christian" terminology to explain their occultic ideas & terminologies
    - i. Buddha = "The Lord"
    - ii. Krishna = "The Christ"
    - iii. Lucifer = "The One"
    - iv. Occult initiation = "Baptism"
  - b. Western intellectuals and religious figures begin to substitute "The Lord", "The Christ", & "The One" in place of the Lord Jesus Christ in an attempt to depersonalize and unify all
    - i. Holy One of Israel = "The One"
    - ii. Holy Ghost = "Spirit"
    - iii. Lord Jesus Christ = "Lord"
    - iv. Godhead = "Diving being/Divine nature"

**\*\*The occult (Gnosticism, Magic, Wiccan, etc) believe the real name of "god" is unknown. Remember: God is a God who wants to be known in a personal way – Ex. 6:3; Isa. 52:6; 45:19-23; Ps. 83:18; Isa. 12:2; Ps. 91:14**

2. The cement plaster of counterfeit bibles (*Gen. 11:3b*)
  - a. In the 1870's, two New Age spiritualists would become pioneers for blending together "the east and west" philosophies with Bible manuscripts
    - i. Madame H.P. Blavatsky – editor of "Lucifer Magazine" and one of the foremost authorities on the ancient mystical religions
    - ii. Brooke Foss Westcott – One-half of the nefarious duo "Westcott & Hort" who developed their own Greek NT from *Vaticanus* & *Sinaiticus* from which all modern Bibles originate
  - b. With Origen's corrupted Bible manuscripts in hand, Blavatsky & Westcott/Hort would begin reassembly of Babel's Tower
    - i. **Step 1:** Remove "Lucifer" from all Bibles – Isa. 14:12; Rev. 22:15; 2 Pet. 1:19 (*compare with NIV & ESV*)
    - ii. **Step 2:** Separate Lucifer from the "force" that is the devil by denying the person of Satan – Gen. 3:1; 2 Cor. 4:3-4
